& ASSOCIATES

It is a privilege to be invited to join each new project, working with architects, designers, and general contractors, striving for one common goal, our client.

We are listeners.

We are always absorbing the many cross conversations that take place and transforming those into ideas that create and enhance the finished product, our clients new home.

Architectural Resources excels in high-end decoration with years of experience as a supplier of products for luxury interior design projects.

Being a leader in the field of decoration and design, we work with the finest materials, high craftsmanship, and finishes to ensure a durable outcome and an interior of the highest quality. Our product catalog includes thousands of references and caters to all design styles: classic, modern, contemporary, country, colonial or avant-garde. Many designs are modern and contemporary styles, some combine the classicism of the surroundings with the innovative design of our times, others are fully 21st century spirit. We create high-quality projects and offer bespoke, personalized designs, with a dedicated team of talented decorators and architects, creating exceptional interiors.
